PLANNING CONFERENCE

A. WHAT IF STATE DOES 'O

- destroy water - recreation

B. WHAT DO W/O ADDED LEGIS.

- water quality standards
- development more costly.
- sophisticated water treatment
- Q Federal coastal zone

- Grants

C.

WHAT ADDED LEGIS MIGHT BE

DESIRABLE -

- upgrade water quality standards.
- Land use controls
- regional judgment on development
- PEC (Piedmont Est Council)

PEC may turn down develop app.

new regional body - land use control

PEC - myth & protects

BURL. COUNTY TIMES - deplores PEC,

PEC Master Plan - "Land Speculator Dream"

Home rule sentiment

and local input

legis. replace PEC - sunset

WEST

- Wild & Scenic Rivers Bill

- Water Q. Standards

- designate as nationally significant
areas - limit fed funding or
intrusion

Nov 14
3-
2001.

Provisions

West - pressure for development
want W.J. provide land use control
statewide interest conservation
with role for local govt.

State has largest interest

How structure

Hackensack Med. Comm. model (West)
wide req.

Yates - warty handle.

wetlands preservation - let us

Know -

- = GEOG.
- = MBSP
- = INTERESTS.

Land use - land acquisition
